Profile

I am Front-End developer with solid knowledge and experience in HTML, CSS, JavaScript, jQuery, Bootstrap, Tailwind, React, and Redux. Currently working as a Front-End Developer, I am passionate about creating user-friendly and efficient web applications. I aim to contribute to the success of my future employers and further develop my skills in a dynamic work environment. I am actively seeking a better opportunity to advance my career and make significant contributions to a forward-thinking company.   Portfolio ➜ Live 🔗
